Parent/Guardian Internet Resources

The Iberia Parish School Board is pleased to provide Internet based resources for parents or guardians. These web sites can help a parent or guardian keep track of their child's grades, discipline, attendance, and transcript information.

Student Progress Center

The Student Progress Center web site shows information **only** for the parent or guardian's child in the following areas:

- **Student Attendance**
- **Student Discipline**
- **Student Grades**
- **Student Transcripts**

The web sites can be accessed by going to www.iberia.k12.la.us, then clicking on the "Student Progress Center" link.

The screenshot shows the homepage of the Iberia Parish School District website. At the top, there is a navigation bar with links for CONTACT US, IPSD EMAIL, INTRANET, CALENDAR, and a language selection dropdown. A search bar is also present. The main header features the district's logo on the left, the text "IBERIA PARISH SCHOOL DISTRICT" in large yellow letters, and "Children First!" in a script font below it. To the right is a photo of three smiling students. Below the header is a navigation menu with links for Home, Schools, Departments, Teachers, Students, and Parents. The main content area is divided into two columns. The left column contains a message from Superintendent Dale Henderson, including a photo of him and a detailed welcome message. The right column contains a "Quick Links" section with four items: Board Meeting Agenda, Career Opportunities, IPSB Policy Manual, and Employee Service Portal. A red arrow points to the "Employee Service Portal" link. Below this is a "Child Nutrition Summer Feeding Program" section with a link to the "Child Nutrition Summer Feeding Program Flyer". At the bottom of the page, there are links for Terms of Use, Privacy Statement, and Login, along with the district's address and phone number.

Will other people see my child's information on the Internet? *No. Parents and Guardians see only the information for their own child.*

Do the schools have access to my account? *No. Only the person who creates the account will know the login and password.*

How often is the Student Progress Center information updated? *The information is "real time". When information is entered by the school, it is immediately available in the Student Progress Center.*

I don't have Internet at my home. What can I do? *The Iberia Parish Library has Internet-connected computers for use by the public at its main location and at branch libraries throughout the parish.*
